Happy Holidays

The end of the year is very close but we are doing well with the sales of the cookbook. It is quite extraordinary to look at this book and know that we put it together. We have had lots of requests for this book but not enough to sell them all. So we will be offering the cookbook online and at most of our functions. If you might be interested in one of our "Cooking with Love and Memories" cookbooks, please contact us by the foundation website or any of the contact information listed to the left. Our cookbook has a wide variety of recipes including a special section for Junior chefs who like to cook.

All of the proceeds from this cookbook will go towards our efforts to assist children with disabilities. We have lots of exciting ideas to work on in 2006, so look for our next newsletter!

May you enjoy Happy Holidays and a Happy New Year.

Sincerely, Becky
