Jocelyn Cooper

Jacey Cooper (pictured below) is the first recipient of our foundation. She is a seven year old from Laurel, DE who has severe cerebral palsy and mental retardation. Her parents asked us for a foldable stroller because Jacey is getting big and her wheelchair will not fit into the family car. With this new chair Jacey will be more comfortable and she will be able to go anywhere her parents want to take her. We are very happy to provide Jacey and her family with this new mobility!

Winter Dance '99

Our second fundraiser in Seaford, DE was a success! We raised over \$2300 and everyone had a great time! We have many individuals, groups and businesses to thank for their time, effort, services and donations. We especially want to thank the **City of Seaford** for donating the Seaford Fire Hall, and the **Seaford Volunteer Fire Department** and the **Ladies Auxiliary of the SVFD**, without whom the dance would not have been possible. Our thanks also to **Accent Entertainment** for providing music to dance to all night long!

We would also like to thank **The Leader & State Register** Newspaper in Seaford, DE, and **WBOC-TV** in Salisbury, MD, for the coverage they provided for our organization and our fundraiser, and **Brad & Ursula Holland**, who were responsible for the display of a huge sign (creation by **Sly Designs**) at the **Kiwanas Park** intersection in Seaford, advertising the fundraiser.
